CWC 2026

It's with great pleasure we append our quote for the above mentioned Tour!

Who is Ant Tours Thailand

Ant Tours Thailand was established in 2020 which is wholly owned by Jittidej Sakda who in the cycling circles is better known as "Ant". He is a native of Bangkok and a graduate from Ramkhamhaeng University. He is a certified Tour guide with the Tourism Authority of Thailand since 2006. A copy of the license is available upon request.

He has served as chief guide to several of the biggest tour companies in Thailand leading cycling tours throughout the country due to his attention to detail and great emphasis on the safety of riders. Over the past 10 years he has covered more than 100,000 km throughout Thailand and thus is familiar with the best food & hotel offering value for money

With the bigger tour companies being more focused on marketing & publicity wherein a large part of the tour price is attributed towards administrative expenses, on the other hand, Ant Tours Thailand is a home grown 'cottage industry' business wherein the price of your tour goes directly towards the booking of the hotels, meals and payments to the guides will all the other ancillary expenses. More importantly he is personally involved in all tours as Chief guide and manages his team of guides directly.

Ultimately his objective is to give tours which are value for money without compromising on safety.
