

How to donate?

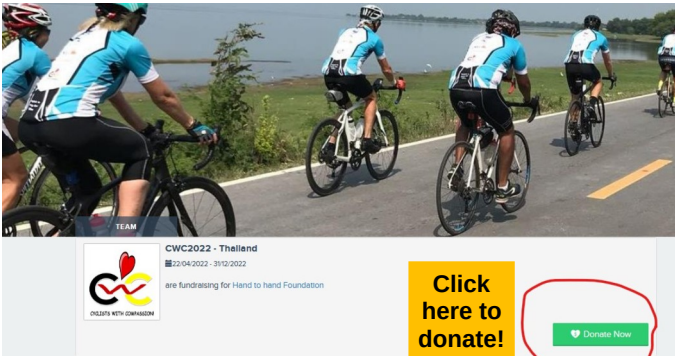

The donation portal for CWC 2022 is now live and will remain open until 31.12.2022. The URL is

<https://www.simplygiving.com/cwc2022-thailand>.

It is a very easy to use portal; allowing donations of any amount, in any currency and safely via PayPal or credit card. As with any such transaction, there is a small transaction/admin fee which will be charged by Simply Giving. I have tried very hard to find a donation method that would not charge any such fee – but to no avail. Simply Giving was still the least costly option with the best functionality and safety. Donors have the option to absorb the admin fee with the net donation amount credited to the charity. Donors also have the option to remain anonymous if so preferred and to leave a message for the rider they support.

For technical reasons the donated funds can't be automatically split between the two charities and Simply Giving will transfer the funds only to the account of the Hand2Hand Foundation. H2HF will send transfer half the funds to The Tamar Center.
